

A surreal landscape featuring a large, jagged, crystalline mountain peak in the center. Behind the peak is a massive, glowing blue and white sphere, resembling a planet or moon, which appears to be partially obscured or emerging from the mountain. The sky is dark and cloudy, with a bright light source on the right side, creating a lens flare effect. In the foreground, a body of water reflects the scene, and a silhouette of a person stands on a dark, forested shore, looking out at the landscape.
